

## Upcoming Events

### [Expressions of Interest](#) - **Tenterfield Weekly Local Produce Market**

Strengthening our local economy, low food miles, opportunities for all producers, creating community resilience and food security.

A broad range of products is encouraged, producers complimenting each other to create a diverse variety of local produce to make it a strong market experience for all.

If you are a producer and don't have enough produce to create your own stall but would like to sell your product at the market, a community table is available.
