SITE NAME				
LENGTH OF ROWS				
NUMBER OF ROWS				

*NB – we can only fund the planting of a **minimum of 3 rows wide** and this will also provide the best windbreak / screen effect

COMMENTS (if you have any preferences regarding species, please list here. We may not be able to supply these species, but will endeavour to do so):

A fencing subsidy may be available if needed to protect plantings from livestock, depending on funding available.

- We will not require fencing to protect planting from livestock
 We will require fencing to protect planting from livestock Length of fence _____

Preferred supplier (please circle): Elders Landmark Stanthorpe Rural/Tenterfield Produce/Deepwater Rural
Norco Mingoola Rural J & R Wild Killarney Co-op

- We require a site inspection and / or further advice.

Seedlings should be ready to plant in Spring (October / November) 2012. **All seedlings will need to be collected in Spring – Date to be advised.**
