EXPRESSION OF INTEREST

Are you interested in providing habitat for koalas on your property?

Koala habitat and survival are the focus of the expanded Cool Country Koalas project, which will regenerate and replant native bushland and install koala drinkers in key areas on the Northern Tablelands. Landholders, Granite Borders Landcare, Gwympac Landcare and Northern Tablelands Local Land Services will work together, through funding from the Australian Government's National Landcare Program, to increase koala habitat and discover more on koalas across the region.

Cool Country Koalas project Expression of Interest form:

 Please fill in the form below and email to: landcare@gbic.org.au

Name:

Phone:

Email:

Address:

Reasons for application; connection to koala habitat/potential habitat:
